

Fèis Latharna Covid Protocol for participants attending face to face tuition (Fiddle accordion and chanter only)

(August 2021)

From the 9<sup>th</sup> of August Scotland will move beyond Level 0 restrictions, but certain protections and guidance will remain in place:

The Fèis wishes to adhere to these and as such we ask participants to stick to the following whilst attending face – face sessions:

- All participants aged 12 and over will need to wear face coverings when entering the venue and during tuition sessions - unless they have a reason for not wearing such as a medical condition.

Children under the age of 12 do not need to wear a mask unless they wish to.

- Entry is by the main entrance to Glencruitten Church Centre – registration will be directly in front as you come in. Please maintain a good social distance of 1 metre minimum when registering.
- There are antibacterial hand gels throughout the building and these should be used when you are in touch with public furniture/surfaces (eg handles etc). Please also use when entering and leaving the building.
- All fees will continue to be collected electronically online to reduce need for money handling.
- Test & Protect will be in operation in order to contact-trace positive cases - so we will collect contact details of everyone attending tuition sessions. This can be done remotely via use of register and data held by Fèis.
- Anyone displaying symptoms of Covid should not attend Fèis. Anyone displaying symptoms during Fèis activity will be isolated and parent / guardian contacted requesting they pick up participant.
- All participants will leave by the Fire Exit door that is parallel to the main door (clear signage will be in operation)

- When leaving please use outside public space for conversation etc so as door ways do not get clogged up.

As time progresses hopefully we can disperse with some of the continuing guidance but we feel that in order to allow us to get back to face to face tuition safely it is sensible too maintain and adhere to national guidance.

Fèis Latharna Committee (August 2021)
